This ain't the tango: Partnering Dance Lesson with Peter and Michele

Starting bid: \$500

Value: \$1,000

Nothing says romance like being able to sweep your partner off their feet. Ever wonder how Attack Theatre dancers effortlessly lift and throw each other around on stage? Spend an evening with Peter and Michele (named by the Post-Gazette as “the Fred and Ginger of the 90’s, where Ginger does most of the lifting”) and learn the basics of contemporary dance partnering. This ain’t the tango, but you certainly will impress your date and your friends with your new moves. This package also includes post-lesson drinks with Peter and Michele.
